

24 AUGUST 2017**APPOINTMENT OF DEPUTY CHIEF EXECUTIVE OFFICER**

CIMIC Group today announced the appointment of Michael Wright as Deputy Chief Executive Officer.

Mr Wright is currently CIMIC Group Mining and Mineral Processing Executive and Thiess Managing Director.

CIMIC Group Chief Executive Officer Adolfo Valderas said: "Michael has almost 20 years' experience at CIMIC Group, having held leadership positions across the Group, in Australia and Asia. During his career, Michael has gained extensive expertise in engineering, construction, tunnelling, industrial and environmental services, telecommunications, utilities and mining.

"Most recently, he successfully built on our company's competitive strength in the resources sector, expanding and diversifying our mining operations into new commodities and geographies.

"Michael's appointment reflects these achievements and the confidence I have in his ability to support the leadership of CIMIC Group as we generate returns for shareholders by successfully delivering projects for our clients and providing safe, rewarding and fulfilling careers for our people.

"His appointment further demonstrates CIMIC's ability to promote from within our strong leadership group, and confirms our approach of providing internal career development opportunities for our people."

Mr Wright's appointment is effective immediately.

Biography**Michael Wright**

Michael Wright, a civil engineer, is CIMIC Group's Deputy Chief Executive Officer. He was formerly CIMIC Group Mining and Mineral Processing Executive, responsible for leading Thiess (as Managing Director) and Sedgman. Prior to that, Mr Wright held roles managing construction, tunnelling and services teams, and executive roles including leading Thiess' Australian Mining operations, Thiess' Services business and CIMIC Group's China and Mongolia business. Mr Wright joined CIMIC Group in 1998.
